Natural Features

1. Natural features are features which appear naturally on Earth. They are not made by people. Use the words to label the natural features on the picture.

mountain

valley

river

hill

natural vegetation

2. Draw a natural feature.

My natural feature is: _____

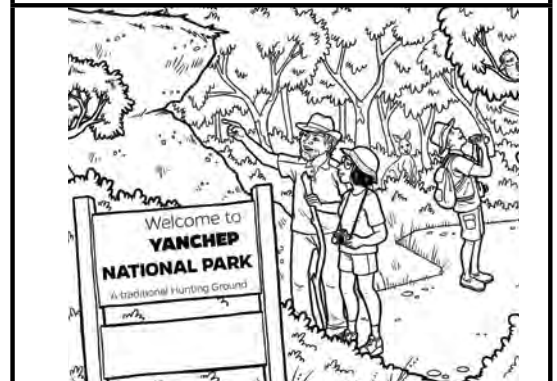

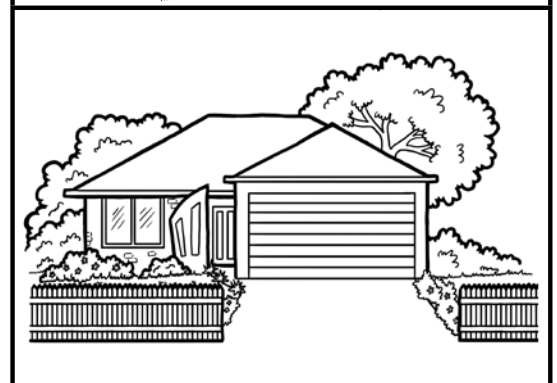

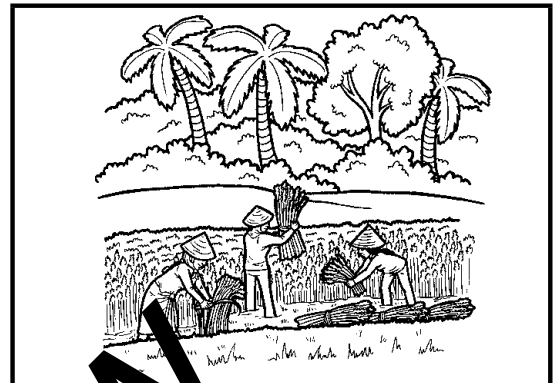

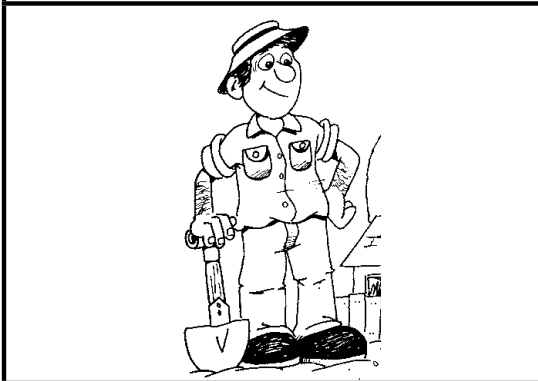

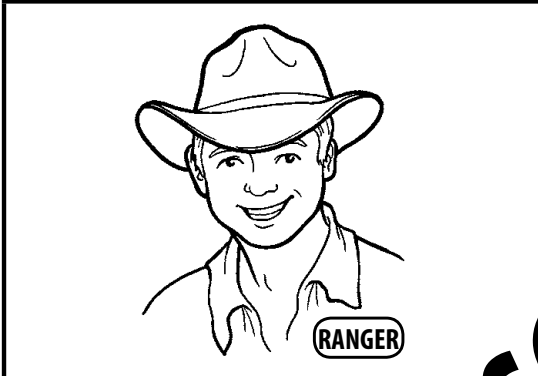

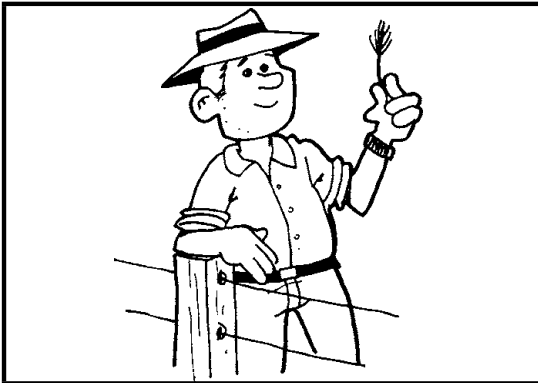

Managed features of a place are natural features which humans care for, like a plant that somebody waters, or the grass that somebody has mowed!

- Colour the pictures which show people managing natural features.

People work in places where they manage features.

1. Match the people with the places that they manage.

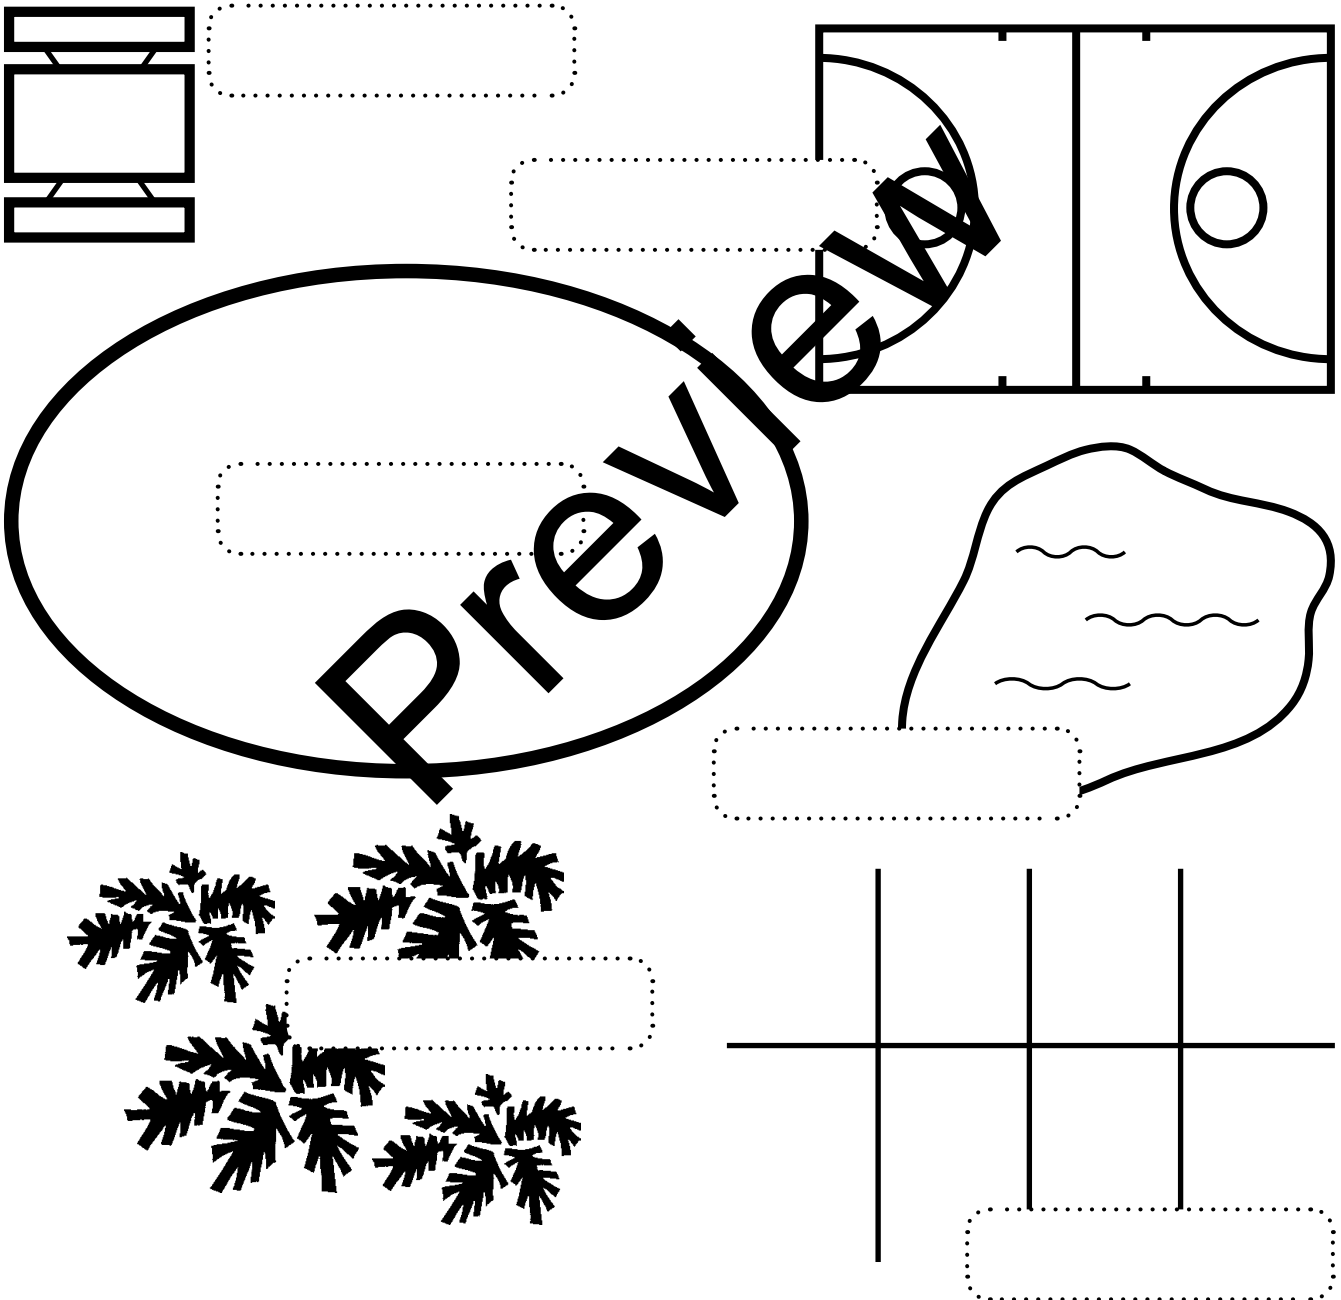

Constructed features are made by people.

1. Use the words to label the map of the park. Colour the constructed features blue. Colour the managed features red.

OVAL
TREES

BASKETBALL
COURT

PICNIC TABLE
POND

2. Name another constructed feature. It could be something that you have made.

Constructed features are made by people.

Colour the people who are making constructed features.
